FYI:

Today at the D/L Staff Meeting Dan asked each division and staff to provide the Plans & Programs Staff a rough cut at outlining cost savings and efficiencies initiated under the following two categories:

- 1) Projects or other initiatives introduced and/or implemented over the past 2-3 years which have resulted in cost savings and increased efficiencies, and
- 2) Future projects, ideas, and/or incentives we could undertake which have potential, real or otherwise, in resulting in cost savings and increased efficiencies such as realignments, reorganizations, consolidation of duplication, elimination of services, etc.

Since your gross inputs need to be consolidated, typed, and presented to Dan by COB Tuesday, 16 June, your response NLT COB Monday, 15 June, will be most appreciated.

Thanks,
Paul
